

VICE PRESIDENT, ALUMNI AFFAIRS - CHRISTINE WONG

Christine graduated from Boston University with a bachelors degree in business administration and management with concentrations in finance, management information systems, and strategy & innovation. During her years at Boston University, she helped found the Zeta chapter and served as Secretary and Executive Vice President. She is currently based in Manhattan as a Shopping Advertising Solutions Architect at Google

In her free time, she enjoys traveling around the world, exploring new restaurants, capturing new moments with her camera, and cuddling with her three cats! She does Rover cat sitting and has taken care of over 200 beautiful little cats by now, with the max of 9 boarding cats in her apartment at one point! She also has a YouTube channel focusing on the technology consulting career, professional and personal development, and money!
