

March 1, 2024

Dear Chapter Officers,

One of your rights as a member of Phi Chi Theta is to determine the Bylaws that govern this Fraternity. At the National Meeting, the delegate from your Chapter will have voting rights to set the course for Phi Chi Theta for the next two years.

Attached is the National Call for Proposed Bylaw Amendments from Bylaws Chairman Gary Hodge [{HERE}](#). It contains instructions regarding the “Call”. Please keep in mind the deadline of **April 01, 2024**. Proposed Amendments received after this date will not be considered. Confirmation of receipt of the Proposed Bylaw Amendment will be sent via email.

A current copy of the 2022 National Chapter Bylaws is attached [{BYLAWS}](#).

Once all Proposed Amendments are received by **April 01, 2024**, they will be compiled and sent out to the chapters by June 01, 2024, along with a ballot for you to discuss and vote on as a Chapter. Do not send this back to Nationals. Your Delegate will vote on behalf of the Chapter at the 2024 National Chapter Meeting on August 14-17 in Chicago, Illinois.

Copies of this notification and attachments will also be placed in your chapter’s Dropbox in the “2024 Centennial National Meeting” folder.

Fraternally,

Sandra
